DYNAMIC **HD** IMAGING®

HIGH DEFINITION INKJET PORCELAIN

A M E R I C A N   N A T U R A L S

Discover the look and warmth of authentic hardwood planks aged to perfection in the American Naturals collection of glazed porcelain tiles produced with Dynamic HD Imaging™ exclusive from Mediterranea.

Tile artisans from Mediterranea hand-select the finest natural colors, shade variations and grain details found in a time-honored hardwood floor, and utilize Dynamic HD Imaging™ to flawlessly recreate this elegant, rustic appeal in a high-performance collection of glazed porcelain tiles. American Naturals offers the charm of a vintage hardwood floor without the cost and complications of maintenance in

a series of glazed porcelain that maximizes our technical advancements in digital inkjet printing.

Made in the USA with recycled content for sustainable design, American Naturals glazed porcelain tile comes in four different color styles and two contemporary sizes for efficient, timely supply in distribution programs, as well as for architects, interior designers, builders and private homeowners seeking LEED contributions with style. American Naturals brings the look and natural warmth of age-worn hardwood flooring in glazed porcelain tile sized in authentic, 4” x 24” and 6” x 24” planks.

For over a decade, Mediterranea, Italian-based developers and craftsmen have been designing and producing tile in collaboration with the world’s top factories in Italy, Spain, Brazil, Turkey, Argentina and the United States. Mediterranea has the unrivaled ability to match its unique products with the right manufacturer, surpassing competition with cutting-edge technological capabilities, competitive pricing and outstanding U.S.-based service.
