Secondo capitolo della narrazione emotiva di Miseria e Nobiltà. Il semaforo verde è stato dato a due nuovi patterns declinati in 4 tinte pastello, disponibili anche come “tinte unite”, che si affiancano alle altre textures già presenti nel programma della collezione. Esplicita la mission di questo restyling: “i colori creando delle forme dalla forte attrattività contribuiscono a creare usi inaspettati del materiale”.

Second chapter of the emotional narration of Miseria e Nobiltà. The green light has been given to two new patterns declined in 4 pastel colors, also available as “solid colors”, which add to the other textures already present in the program of the collection.
